Get Involved and Help Shape Our Services

We believe that involving our Tenants and listening to their views is essential in helping us improve the services we provide. Each year, we work with our Tenants and the wider community to understand what matters most and make positive changes to the way we support them.

There are many ways you can get involved, including:

- **Joining a Tenant engagement group**
- **Taking part in focus groups and panels**
- **Sharing your ideas and feedback**
- **Sharing your experiences through Tenant stories**
- **Tenant Satisfaction Surveys**

If you are a Halo Housing Association Tenant and would like to have your voice heard and help shape the future of our services, please get in touch with us.
